

Save time and money by using the FS-2D electric coin sorter to quickly and accurately sort your loose change!

## Highlights

- **High Speed** – Fast operation of 312 coins per minute
- **High Volume** – Large hopper of 400 coins allows the user to sort more coins at once
- **Patented Anti-Jam Technology**– Anti-Jam Technology allows you the ease of error free coin sorting as the machine will adjust the motor to prevent coin jams
- **Value Counting** – Digital display shows the dollar value of each coin denomination as well as the total sum of all coins counted and sorted

Ideal for retail & service businesses, restaurants, offices, and more!
